Open House Sunday, April 6, 1-3pm.

Welcome to this beautifully maintained 5-bedroom home that truly has it all! From the moment you arrive, you'll notice the striking exterior brick work that was one of the "extras" added to this former show home, while the uniquely covered front porch offers weather protection for all your amazon packages. Inside you'll notice the warm and inviting space featuring chalkboard wallpaper and formal front living room with vault to showcase the appealing iron and wood staircase. The rear family room offers ample space for the whole family and is separated from the kitchen and dining area by a cozy three-sided fireplace. The kitchen features a spacious island and walkthrough pantry to the laundry room and heated garage, making grocery drop-off a breeze. Upstairs, a spacious primary bedroom and ensuite will impress, as will the built-in desk area and large bonus room. Two more bedrooms and full bathroom round out the upper level. The basement is a haven with built-in cabinetry flanking a fireplace feature. The wet bar will make entertaining down here a delight. Two other spacious bedrooms and a full dual-sink bathroom make the basement functional for the whole family. Enjoy built-in speakers throughout the home, a camera-equipped security system for peace of mind, and central air conditioning to keep your summers cool and comfortable. Out the back, you'll find composite decking, and a huge RV gravel pad

that can be used by putting a gate into the rear fence for access to the paved rear alley. With nearby schools, parks, a soccer field, and a golf course, this location is perfect for families.
